3. Lunched with Mr. Harrison of the Joint Committee on Printing (Senator Hayden), [] Tentatively, Mr. Harrison will return on next Wednesday to continue his study and assures me that he will take whatever time is necessary to completely familiarize himself with our problems. With proper handling, I think that we will come out all right.

4. Arranged with [] to handle the details of presenting the Bronze Star Medal to a civilian employee.

25X1A9A

25X1A 5. Went over Jim Garrison's Procurement T/O with him. He had requested [] positions which involves an increase of 265 positions over his present T/O. I told him that his concept was all right but that he would have to remain within a personnel ceiling of [] and that in order to allow him some leeway to work on I would approve of a new request of not to exceed [] positions at this time.

7. I told [] that I did not concur in the DD/P log item concerning Communications' survey of courier service since I had not seen this survey and since it was my understanding that the Director wanted a staff study of the whole problem. I advised Jack that except for the fact that General Smith had said he wanted the study to come through us I did not desire to interfere but that we would recommend that it be presented in the form of a staff study and not as a log item.

25X1A9A

8. Larry Houston reports that he has reviewed the agreements concerning our tenure at [] and that he is satisfied that they are all right.

25X1A6A

9. Made arrangements for [] revolving fund to be increased from \$600 to \$800.

25X1A9A

10. Have agreed to move my office, [] on Saturday, 2 February, at the latest.
